**Just Flow Opens Downtown Manchester Office**

**Manchester, NH** – Just Flow Events & Marketing is excited to announce it has opened an office in Manchester, New Hampshire. The office is in the city's historic Beacon Building located in the heart of Downtown Manchester at 814 Elm Street.

As Just Flow responds to growth across its client and employee landscape, the new office location serves as the next step in achieving further opportunities for business growth and development.

"I am excited to open our new office in a fantastic location like the Beacon Building and share the hallways with esteemed local businesses including Red Arrow Diner's Corporate Offices, Midtown Café, Grolen Communications, Make-a-Wish New Hampshire, and Flexecution" said Ami D'Amelio, CEO & President of Just Flow. "The location is close to several local landmarks including The Palace Theatre, Manchester Chamber of Commerce and the SNHU Arena. I am looking forward to taking this step forward with my team and participating in the vibrant professional culture of the greater Manchester area and beyond."

Just Flow's new office space includes a shared workspace for employees and two additional meeting spaces. The office is located at 814 Elm Street, Suite 510.

**About Just Flow, LLC**

Supporting clients since 2010, Just Flow provides event planning and management, strategic marketing, social media, website design development, graphic design, copywriting and other related corporate communication services.
